Welcome to the Spring edition of our community newsletter. The voluntary Board of Management together with the staff team have been very busy organising training and events and assisting families and individuals in the local community. In recent weeks 50 people had a wonderful and educational day out to Dan Winter's Cottage, Co. Armagh birthplace of the Orange Order and our next tour to Cavan County Museum, Ballyjamesduff, to visit the 1916 exhibition and the World War I trenches in April, is fully booked. Parenting supports are being delivered locally and the FRC welcomes the Strengthening Families 14 week programme to Clones. The Toddler Group has enjoyed a number of healthy families talks and a brisk walk in Clones Labyrinth. International Women's Day was celebrated in the Cassandra Hand Centre with a Bollywood night which involved dancing and Indian food. Thanks to everyone who supported the recent Social Dancing / Open Mic night in the Cuil Darach on 16th March where a great night was had by all. **Angela Graham, Coordinator**
